September, October 2009 SCSC Background Screening Program Graded Results

For a quarter of a century, American Background has provided comprehensive, innovative employment screening and verification services that enhance the safety, security and efficiency of the workplace. **We are proud of our association with ISTC and the petrochemical and refining industry.** American Background offers a comprehensive group of employment screening solutions for organizations operating across the country and globally. In order to provide the highest levels of service available anywhere, we tailor our offerings to the operational needs of our clients. We specifically offer a discounted BCG™ Package to ISTC's customer base. **We realize you have a choice. Our rapid client addition process is free, simple, secure, convenient and completed within 24 hours. You will have full access and can start ordering screening needs right away!**

First Advantage Corporation (NASDAQ: FADV) provides innovative products and services that mitigate risk by helping businesses, non-profit organizations and government agencies make more informed decisions. First Advantage in partnership with ISTC provides Petrochemical Market Contractor Companies comprehensive employee background screening services addressing key elements of Security, Accuracy of Results, Fast Transaction Turn Around Times, Cost Savings, Reciprocity, Reliability and Scalability, Mission Critical Customer Support, and Compliance peace of mind. Headquartered in Poway, Calif., the company has 4,700 employees in 10 countries that support over 90,000 clients globally.

Experience Matters: In the world of chemical and petrochemical security screening, LexisNexis is a respected global industry leader. We work with many of the country's largest plant owners and industrial contractors. As a qualified vendor in the Safety Council Security Consortium (SCSC), our Background Check Graded™ (BCG™) package and other screening products are recognized by all participating plant owners along the Gulf Coast. Many of our contractor clients value the very competitive pricing and fast turn around associated with our SCSC program. Give us a call and we will prove to you our competitive difference!

BEST NEWS

ISTC / BEST Complex has CPR-First Aid Courses available.
Upcoming dates are: 9/22, 10/20, 11/17, 12/8

For more info contact Trisha Kelley at BEST Complex, 409-833-2378 ext. 1134

The LIT Regional Fire Academy is returning to the Complex! Previously the Academy personnel were situated on campus in Beaumont and now have a new classroom building from which to operate at BEST Complex. This will provide reduced travel times and better logistics for their training. ISTC / BEST Complex is pleased to welcome them back.

BEST Complex has successfully completed the first NFPA 1081 Leadership class. This course is Pro-Board certified and is offered under the Cooperative Learning Center agreement with TEEX. Future dates for delivery of this course are:

10/21-22, 11/18-19, 12/14-15

For more info contact Trisha Kelley at BEST Complex, 409-833-2378 ext. 1134

On August 25, 2009 Rick Isaacs, the TEEX International & CLC Program Coordinator finished the Annual audit at BEST Complex. This was a very successful audit with no corrective action required. The complex was inspected in the following areas: Safety, Instructor Evaluations, Classrooms, Training Materials, Certification Testing, Facility Appearance, Maintenance, and Equipment. The report included favorable comment regarding Hurricane recovery efforts in that "BEST Complex has done a remarkable job of maintaining business continuity in times when adverse conditions made it difficult."

Need a Company Specific Identification Badge?

Some facilities are now requiring contractors to have a company specific identification badge for their employees.

ISTC offers custom design and printing of identification badges. Call our office at (409) 527-3385 for more details.

Mask Fit Testing every Monday, Wednesday and Friday from 7-12 at our Baytown location, call customer service @ 281-421-0459 to schedule.

Our Baytown Training Council is moving to a new location. 3166 Decker Dr. off of spur 330. Watch for our moving date in October.

Visit our website at www.ISTC.net to see all the courses we offer.
