Dear Clients;

In July 2010, ISTC launched a new electronic billing system designed to eliminate paper invoicing. This process is mandatory as we feel it is an efficient, effective process for our business model. This will help to reduce delays in receiving invoices and allow you to expedite your payables process.

All invoices are posted to our secure web tool which will allow you to view, print and pay invoices online. Invoices are posted daily for your convenience. Once an invoice is posted the email address provided will receive a notification stating there is an invoice available on our web tool. It is your responsibility to check your invoice status regularly so that your account remains current.

Failure to provide the necessary information may result in your company's account status being affected.

If you have any questions, please feel free to contact a member of our accounting department at 409-724-2565 or email accounting@istc.net

Sincerely,

Boyd Larsen

Boyd Larsen, CPA
Chief Financial Officer

**ELECTRONIC BILLING
