Go to https://atlas.istc.net_ and login.

* If it is your first time logging in, please use the forgot password option to reset your password. You will receive an email from with a new password.

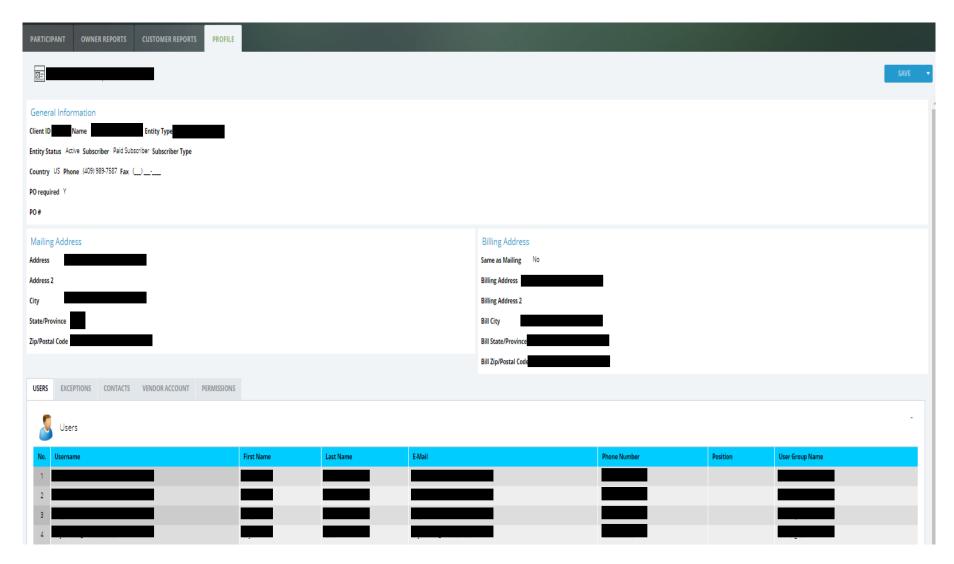

Profile Tab

The Profile tab allows admin users to view your company's information, view users, add/edit exceptions, add/edit/remove contacts, add/edit/remove Vendors, and grant other safety councils access to schedule courses for your site at their location.

Click the Profile tab and select your Facility under the My Entities section.

Profile Tab continued

Admin users can now view/edit their company information.

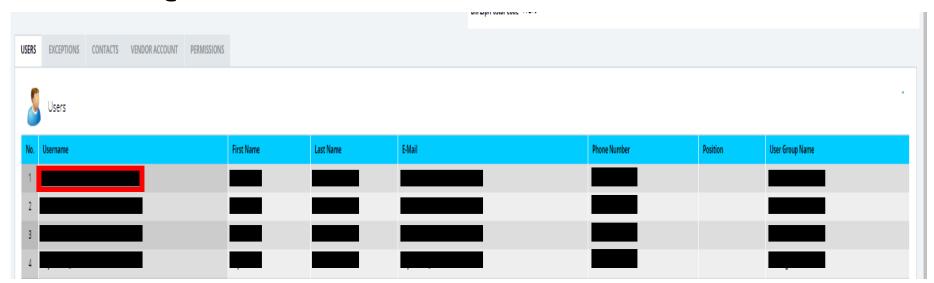

Owner Users

Owner Admin users have full Entity access within Atlas. Tabs included are Profile, Participants, Owner Reports and Customer Reports.

Owner Gate Guard can only view participants history. Tabs included are Home and Search. Owner Scheduler 1 can only schedule training courses. Tabs included are Participant and Customer Reports.

Owner Scheduler 2 can schedule training, Backgrounds, and A LA Cartes. Tabs included are Participant and Customer Reports.

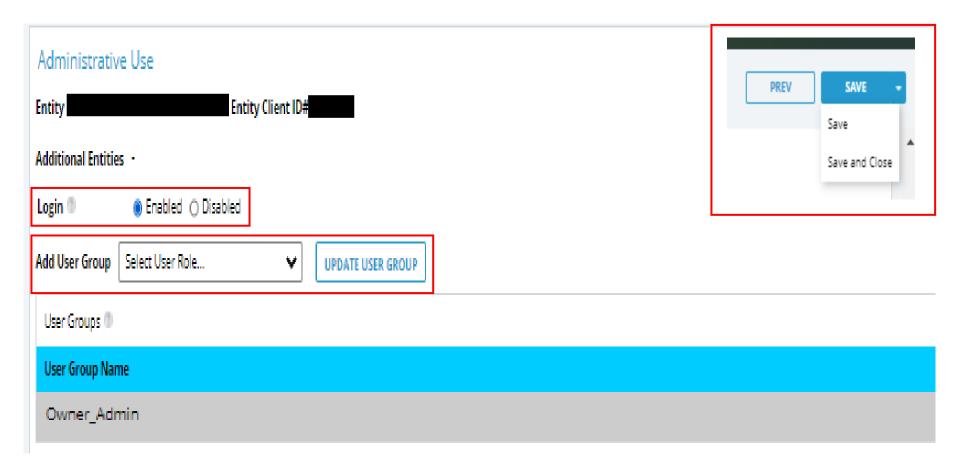

*To add, edit, or remove a user, please contact the Client Relations Department at clientrelations@istc.net

The User tab will be displayed at the bottom of the Profile Tab. This tab will show all the users associated with your account.

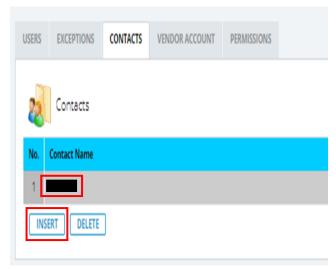

^{*}You can view an individual's information by clicking their name.

Owner Users continued

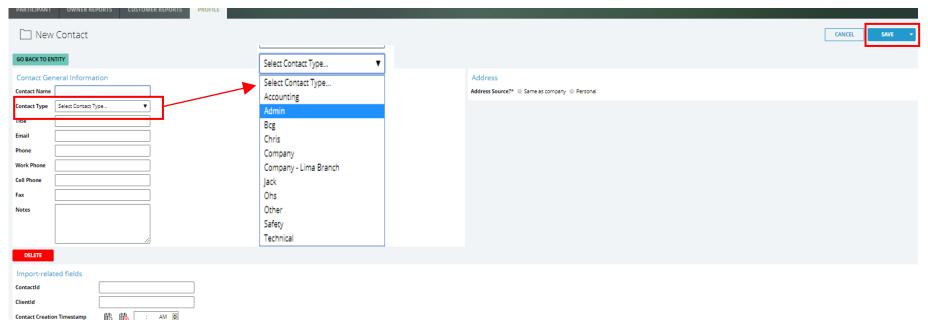

- To unlink an individual from your account, select the Disable option from the login section.
- To change an individual's user role, select the new role form the user group drop-down menu and click the "Update User Group" button.

Owner Contacts

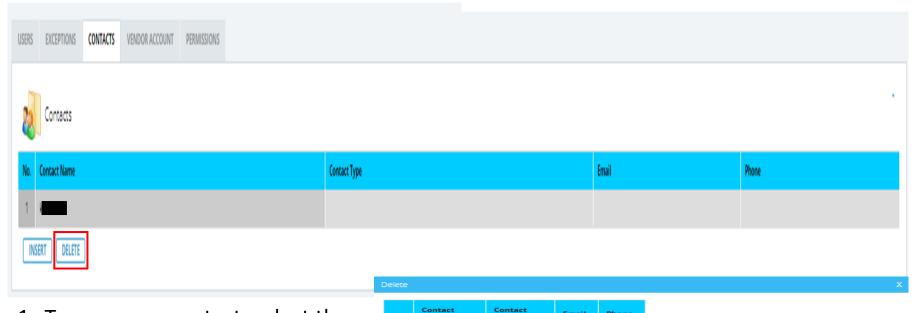

Admin users:

- 1. Select the Contacts tab.
- 2. If you would like to add a user, click the "Insert" button.
- 3. To edit a contact, select the individual's name.
- 4. Fill out all the required information and click the save button.

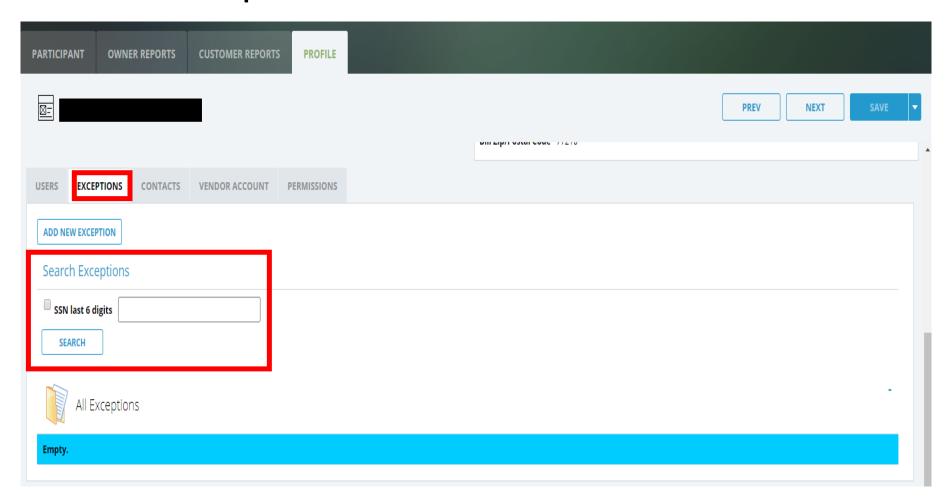

Owner Contacts continued

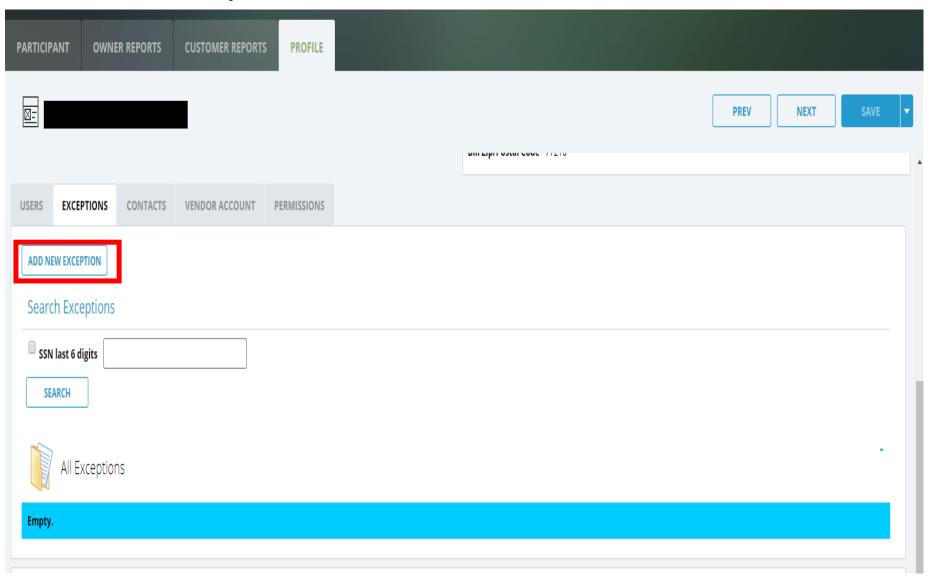

Type

- 1. To remove a contact, select the "Delete" button.
- check the box next to the individual(s) you would like to remove.
- 3. Click the "Delete Contact" button.

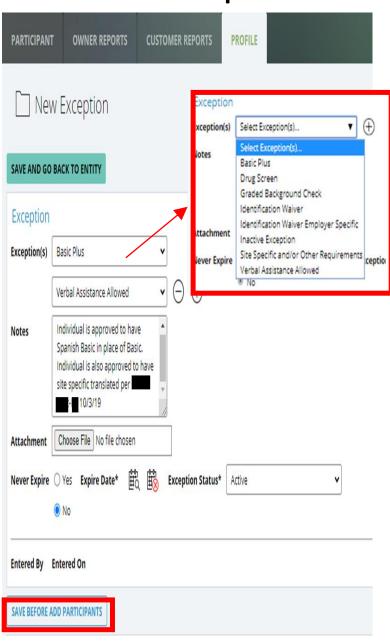

Owner Exceptions

- 1. Select the Exceptions tab from the Profile Tab.
- Type in the last 6 of the individual's social in the search box and click the "Search" button to verify if an individual already has an exception.

If the waiver is not already entered, you will select the "Add New Exception" button.

Owner Admins can issue and add owner clearances for their sites. These are referred to as waivers or owner exceptions.

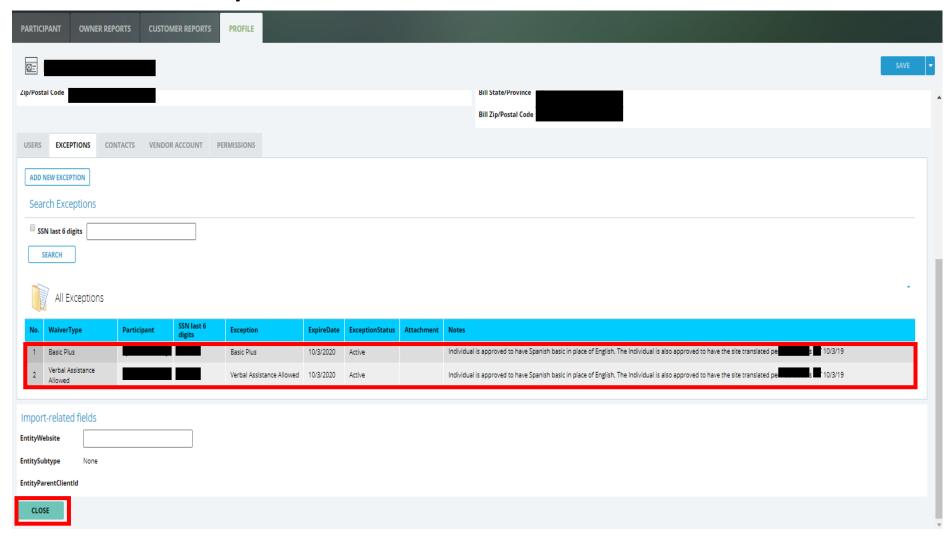

- 1. Select the exception type from the drop-down menu.

 *If you need to add multiple exceptions for an
 - *If you need to add multiple exceptions for an individual, you will click the plus button next to the exceptions type.
- 2. Type in the note for the exception in the notes section.
- 3. To add an attachment, you will select the "Choose File" button and select the file from your computer.
- 4. Never Expire should be marked No, unless the waiver is indefinite.
- 5. Click the calendar next to Expire Date to select the date you would like the waiver to expire. (you can click the calendar with the red x if you need to remove the expiration date.)
- The Exception Status should always be active. This determines if the waiver is valid or not.
- 7. Click the "Save Before Add Participants" button.

^{*}See next page to add participant(s) for the waiver(s).

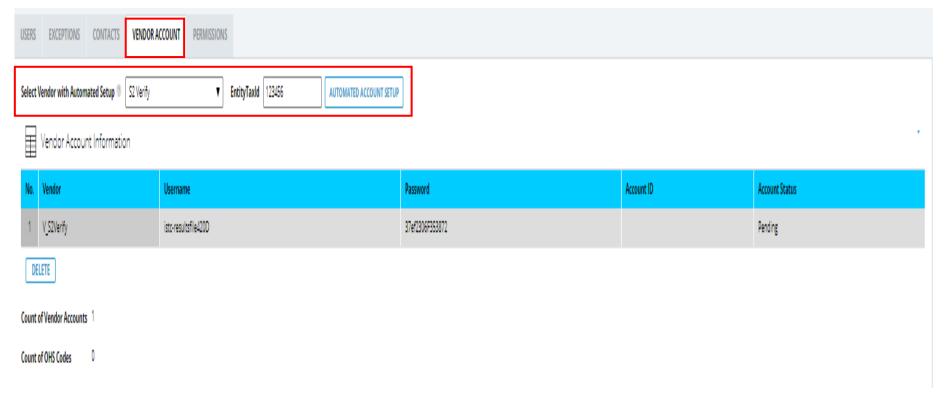

- 1. Type the last 6 of the individual's social in the search box next to SSN last 6 digits under the participant section and click "Search".
- 2. Click the check box next to the individual's name and click "Select". The waiver will now appear under the selected participant section.
- 3. Once all the individuals have been selected, click the drop-down arrow next to the save button in the top right corner of the screen and select save and close.

The waiver should now appear under the all exceptions section. If you do not see the waiver, you can search the participants last 6 to verify the waiver was placed. You will then press the "Close" button at the bottom left of the screen to exit.
